SECRET!
THE ONLY DISSOLVER OF THE POI-
SONOUS URIC ACID WHICH EXISTS IN
THE BLOOD OF RHEUMATIC AND
GOUTY PATIENTS.

SALICYLICA is known as a com-
mon sense remedy, because it strikes di-
rectly at the cause of Rheumatism, Gout
and Neuralgia, while so many so-called
specifics and supposed panaceas only
treat locally the effects.

It has been conceded by eminent sci-
entists that outward applications, such as
rubbing with oils, ointments, liniments
and soothing lotions will not eradicate
these diseases which are the result of the
poisoning of the blood with uric acid.
SALICYLICA works with mar-
velous effect on this acid and so removes
the disorder. It is now exclusively used
by all celebrated physicians of America
and Europe. Highest Medical Academy
of Paris reports 95 per cent. cures in
three days.

REMEMBER!

SALICYLICA is a certain cure for
Rheumatism, Gout and Neuralgia. The
most intense pains are subdued almost
instantly.
Five is a trial. Relief guaranteed or
money refunded.
Thousands of testimonials sent on ap-
plication.

TELEGRAPHIC

Railroad Market.

New York, 24.—A Wall street paper
says for several days past the street has
continually had the point to buy Oregon
Trunk-Continental, but no intimation
has been given as to the extent of the
movement intended, or upon what it
was to be based. It is now learned that
the bonds of the company are likely to
be listed upon the stock exchange to-day,
and as these have been steadily absorbed
for some time, it is more than probable
that an upward movement will be started
as soon as the movement of the general
market will permit. The bonds have
been issued up to \$6,000,000.

Vice-President Purdy, of the Mexican
Central Railroad, telegraphed to the
Palmer that the government has ac-
cepted the Mexican National Railway line
to Muravio; that he will open the line
for general traffic on February 1st, with
the prospect of a heavy freight traffic.
Muravio is 184 miles from the City of
Mexico. The Huntington line is under
way, and when completed will give the
Southern Pacific a direct line to the City
of Mexico. The Grand concession hav-
ing been recently modified, work will be
pushed immediately.

Officials of the Atlantic and Pacific
say that the question of extending their
line into Louisiana Territory has not been
raised, hence the report of differences in
the board of directors, resulting from
the question as published yesterday, is
unfounded.

The meeting of officials at New Or-
leans of the Southern Pacific and Mor-
gan lines, was for the purpose of effecting
arrangements for through traffic, and not
for the purchase of the latter by the for-
mer, as reported.

To-day, 24.—Globe's cable: No official
announcement is yet made, but it is
stated on the highest authority that the
Canadian Pacific Company has success-
fully completed all negotiations to issue
its new stock in New York and Amster-
dam.

St. Louis, 24.—A. N. Towne, general
manager of the Southern Pacific, has is-
sued a circular announcing that he has
succeeded J. F. Crosby as general man-
ager of the Texas and New Orleans, and
Louisiana Western Railroads, and that
all lines from El Paso and New Orleans
will be under the management of the South-
ern Pacific. A number of changes in
officers and new appointments are also
announced.

The Passion Play and Hell.

New York, 24.—The fire department
require 3 mi. horse to construct in his
Passion hall a brick wall two feet thick,
and extending four feet above the roof of
the proscenium arch. A girder of the
required size to support the arch arrived
from Pittsburgh yesterday. It is 64 feet
long, weighs eight tons, and will span
the stage opening of 59 feet. Rehearsals
for the Passion Play are now in progress
complete as is possible without the full
accessories of stage sets, g. music and
costumes, and the present intention is to
give the first public performance on
Monday evening, February 5th. Most
of the scenery is finished. The front of
the gallery, the wainscoting and trim-
ming are all in ebony and gold, produc-
ing a sombre effect. From the front of
the gallery spring out seven branched
candelsticks. In the ceiling is a large
circular frame with small panels of
stained glass, above which an electric light
will burn, and the colors thus produced
will be the only relief to the prevailing
severity of hue. On the main floor will
be 636 seats, and in the gallery 594.

The numbers and divisions of persons
engaged in the production are as follows:
Characters in the cast, 45; Roman guards,
40; Jewish soldiers, 40; Levites, 40;
Principal Jews, 40; Disciples, 10; Stan-
dard bearers, 6; Harpists, 10; Persians,
men 10; Persians, women, 10; Jewish
mothers, 40; Chorus—soprano, 21; con-
tralto, 18; tenor, 21; baritone, 19; basses,
16; Medes, men, 10; Medes, women, 10;
Egyptians, men, 10; Egyptians, women,
10; Assyrians, men, 10; Assyrians, wo-
men, 10; Priests, 8; multitude, 59; Sal-
ome's maids, 8; dancing girls, 8;
camel drivers, water carriers, beggars,
cripples, donkey drivers, and vendors
for the street traffic scene, 100; stage
hands, 50; orchestra, 40. There will
thus be 754 persons on or about the stage
lights, before the public and in operation
of the scenes. More actors have been
engaged in getting ready for the produc-
tion of the play to hurry the question
about license for the hall.

Murdered by Natives.

San Francisco, 24.—Information is
received at Brisbane, Queensland, that a
large three-masted schooner was just on
the shore off the mouth of the Fly River,
New Guinea. The crew, seventeen in
number, were killed by savages, their
heads cut off and distributed among the
natives. Capt. Penzance, father of the
schooner Pearl, made search, but found
only a lot of wreckage, with nothing
to identify the vessel. His party
was several times attacked by natives.
One old woman confessed to the murder
of the crew. Penzance burned native
villages and destroyed their canoes.

The Criminal Calendar.

Geneva, 23.—Krapalken does not in-
tend to appeal from the decision of the
judicial tribunals, sentencing him to long
imprisonment.

Worcester, 24.—Henry Barnard, late
cashier of the defunct City Bank, is
arrested.

Dallas, Tex., 24.—O. H. Gregg, ab-
sconding United States mail route agent,
who robbed registered packages at the
Texas Pacific Railroad, was arrested at
Nashville, Tenn.

Newport, Vt., 24.—S. M. Fields, a
prominent citizen and railroad con-
tractor, was arrested by the treasury de-
partment for passing counterfeit half dol-
lars innocently that he used the bogus
coins innocently.

Another Rumor.

London, 24.—Some St. Petersburg
newspapers state that the bodies of two
members of Lieutenant Chipp's party
were found at Chateau Bay, and will
pass through St. Petersburg in February
on their way to New York. Probably
the report has the same origin as the
statement of the finding of two corpses of
members of the same party, which was
published in New York on the 7th instant
and discredited.

Be Good or Go To Prison.

Dublin, 24.—At the Queen's bench di-
vision, to-day, 24th Jan., 1883, a Quin,
charged with being a witness, was
ordered to find securities for good
behavior, or go to prison for six
months. A week's time was allowed
them to make choice.

The chief justice in giving judgment
against Davitt, Healey and Quinn, held
that the language of the defendants was
seditious, and an incitement to civil war.
Judge Lawson added, I never read more
blasphemous language than Davitt's.
All were required to furnish bonds. Only
Davitt and Quinn were present.
